MICHAEL ANDERSON

ASSESSMENT PROGRAM MANAGER

As an accomplished Academic Assessment Specialist with over 12 years of experience, I have developed a robust understanding of assessment methodologies across various educational settings. My expertise lies in creating assessments that not only measure student learning but also drive instructional improvement. I began my career in a community college, focusing on enhancing student engagement through innovative assessment practices.

PROFESSIONAL EXPERIENCE

Community College of Learning

Mar 2018 - Present

Assessment Program Manager

- Developed a comprehensive assessment program that improved course completion rates by 25%.
- Collaborated with faculty to design assessments that align with student learning outcomes.
- Facilitated professional development workshops on assessment strategies, enhancing teaching practices.
- Analyzed student performance data to identify areas for program improvement.
- Implemented a feedback loop for continuous assessment improvement, resulting in higher student satisfaction.
- Utilized learning management systems to streamline assessment processes and data collection.

Educational Innovations Inc.

Dec 2015 - Jan 2018

Assessment Consultant

- Provided expert consultation on assessment design to various educational institutions.
- Conducted workshops and seminars on innovative assessment practices and data analysis.
- Developed customized assessment solutions that addressed specific institutional needs.
- Supported faculty in aligning assessments with accreditation standards.
- Facilitated the implementation of technology-enhanced assessments across multiple platforms.
- Evaluated assessment outcomes to inform institutional strategy and planning.

ACHIEVEMENTS

- Increased student engagement in assessments by 30% through innovative practices.
- Recipient of the Community College Assessment Award in 2021.
- Published research on equitable assessment practices in a leading educational journal.
