# MICHAEL ANDERSON

## CURRICULUM MANAGER

Dedicated Academic Curriculum Specialist with over 12 years of experience in higher education settings, focusing on curriculum design and accreditation processes. Proven ability to collaborate with faculty and administration to create rigorous academic programs that meet accreditation standards and enhance student learning. Expertise in program assessment and improvement, utilizing feedback from students and stakeholders to refine curricula.

## **PROFESSIONAL EXPERIENCE**

### **State University**

*Mar 2018 - Present*

#### Curriculum Manager

- Oversaw the development and revision of undergraduate and graduate curricula, ensuring compliance with accreditation standards.
- Facilitated curriculum mapping sessions with faculty, improving program coherence and alignment.
- Conducted assessments of program outcomes, leading to a 25% increase in student retention rates.
- Organized faculty training on innovative teaching methodologies, enhancing instructional quality across departments.
- Developed an online curriculum resource center, increasing accessibility for faculty and students.
- Collaborated with academic departments to launch new programs, contributing to a 15% increase in enrollment.

### **Community College**

*Dec 2015 - Jan 2018*

#### Curriculum Development Coordinator

- Led curriculum development initiatives for various programs, ensuring alignment with industry standards.
- Assisted faculty in designing assessment tools to measure student learning outcomes effectively.
- Coordinated accreditation reviews, resulting in successful accreditation status for multiple programs.
- Implemented feedback mechanisms to gather input from students and faculty, driving continuous improvement.
- Facilitated workshops on curriculum design principles for over 100 faculty members.
- Managed curriculum documentation, ensuring accuracy and compliance with regulatory requirements.

## **ACHIEVEMENTS**

- Achieved a 90% success rate in program accreditation for all reviewed programs.
- Recognized for developing a curriculum model that was adopted by several state colleges.
- Received a grant of \$100,000 for curriculum innovation projects enhancing student experiences.
