

MICHAEL ANDERSON

Director of Medical Education

With over 10 years of experience in healthcare education, I have served as an Academic Fellow dedicated to improving medical training and promoting interprofessional education. My career has been focused on developing innovative curricula that enhance clinical skills among healthcare students. I have collaborated with hospitals to create simulation-based learning experiences that prepare students for real-world challenges.

WORK EXPERIENCE

Director of Medical Education

2020-2023

Health Sciences University
