Innovative Academic Learning Advisor with over 4 years of experience specializing in online and blended learning environments. I thrive in digital education landscapes, leveraging technology to enhance student engagement and academic success. My background includes designing and facilitating online courses that are interactive and accessible, catering to varied learning styles. I focus on creating inclusive and equitable online learning experiences that empower students to take ownership of their education.

WORK EXPERIENCE

Online Learning Coordinator | Virtual Academy   Jan 2022 – Present

- Designed and facilitated over 20 online courses, enhancing student engagement by 30%.
- Utilized learning management systems to track student progress and provide tailored feedback.
