### WORK EXPERIENCE

#### LITERACY SPECIALIST

Reading Success Academy

2020 - 2025

- Implemented a school-wide literacy initiative that improved reading proficiency scores by 30% in one academic year.
- Conducted literacy assessments to identify student needs, leading to targeted intervention strategies.
- Developed engaging reading programs and activities that increased student participation in literacy programs by 40%.
- Collaborated with teachers to integrate literacy across the curriculum, enhancing overall academic performance.
- Facilitated parent workshops to promote literacy at home, resulting in increased family engagement.
- Utilized data analysis to track student progress and refine instructional approaches, ensuring effective interventions.

#### READING INTERVENTIONIST

Community Learning Center

2015 - 2020

- Provided one-on-one reading interventions for struggling students, leading to a 25% increase in reading levels.
- Developed individualized learning plans based on assessment data, ensuring tailored support for each student.
- Collaborated with classroom teachers to enhance literacy instruction and identify at-risk students.
- Organized community literacy events to promote reading and engage families in their children's education.
- Trained volunteers to assist with reading programs, expanding support for students.
- Monitored student progress through regular assessments, adjusting strategies as needed to achieve goals.
