SKILLS

- policy evaluation
- labor market analysis
- program development
- stakeholder engagement
- report preparation
- database management

EDUCATION

**MASTER OF SCIENCE IN EDUCATION,
UNIVERSITY OF WORKFORCE STUDIES**

LANGUAGE

- English
- Spanish
- German

ACHIEVEMENTS

- Facilitated a research partnership that led to a 25% increase in internship placements for graduates.
- Recognized for excellence in research at the annual Workforce Development Conference in 2022.
- Published a collaborative report that influenced state policy on vocational training funding.

Michael Anderson

HIGHER EDUCATION POLICY RESEARCHER

Accomplished Academic Policy Researcher with a focus on post-secondary education and workforce development. With over 7 years of experience, I specialize in researching and evaluating educational policies that bridge the gap between education and employment. My analytical skills enable me to assess program effectiveness and contribute to data-driven improvements in educational practices.

EXPERIENCE

HIGHER EDUCATION POLICY RESEARCHER

Institute for Workforce Development

2016 - Present

- Conducted research on the alignment of educational programs with labor market needs.
- Analyzed the impact of workforce training initiatives on graduate employment rates.
- Collaborated with industry partners to assess skills gaps and inform program development.
- Developed reports and presentations that articulated research findings to policymakers.
- Hosted workshops for educators and employers to discuss workforce readiness strategies.
- Contributed to policy briefs advocating for funding in workforce development programs.

POLICY RESEARCH INTERN

State Higher Education Commission

2014 - 2016

- Assisted in conducting surveys to evaluate student satisfaction with post-secondary programs.
- Engaged in literature reviews to support policy recommendations on educational best practices.
- Analyzed data trends related to enrollment and completion rates.
- Prepared documentation for state-level reports on higher education funding.
- Supported the organization of stakeholder meetings to discuss policy initiatives.
- Contributed to the development of a comprehensive database for tracking higher education metrics.
