

# MICHAEL ANDERSON

## ACADEMIC PUBLICATIONS MANAGER

### PROFILE

Results-driven Academic Publications Specialist with over 5 years of experience in academic research and publishing. Expertise in overseeing the review and publication of scholarly articles, ensuring the highest standards of academic integrity and quality. I have a strong background in using digital tools for manuscript tracking and citation management, which has streamlined publication processes in my previous roles.

### EXPERIENCE

#### ACADEMIC PUBLICATIONS MANAGER

##### Scholarly Publishing House

2016 - Present

- Oversaw the publication of 30+ research articles yearly, maintaining quality and integrity standards.
- Utilized project management software to track manuscript progress and deadlines.
- Worked closely with authors to provide feedback and support throughout the submission process.
- Conducted training sessions for junior staff on publication ethics and standards.
- Established a database for tracking reviewer feedback and publication timelines.
- Coordinated marketing efforts to promote published articles to wider audiences.

#### PUBLICATION COORDINATOR

##### Academic Insights Journal

2014 - 2016

- Assisted in managing the peer review process for over 100 submissions annually.
- Maintained communication with reviewers and authors to ensure timely feedback.
- Prepared and formatted manuscripts for publication in compliance with journal guidelines.
- Facilitated the organization of editorial board meetings and agendas.
- Created promotional content for social media to enhance journal visibility.
- Implemented a new tracking system that reduced processing time by 25%.
