Results-driven Academic Teacher with over 11 years of experience in special education. I have dedicated my career to providing quality education to students with diverse learning needs. My approach emphasizes individualized instruction and adaptive teaching methods that support each student's unique learning style. I have successfully developed and implemented specialized curricula that enhance the learning experience for students with disabilities.

WORK EXPERIENCE

Special Education Teacher | Bright Futures Academy

Jan 2022 – Present

- Designed and implemented individualized education plans (IEPs) that improved student performance by 35%.
