

MICHAEL ANDERSON

LEAD ACUPUNCTURE THERAPIST

PROFILE

With over 12 years of experience in acupuncture and integrative health practices, I specialize in treating complex chronic conditions and enhancing overall wellness. My passion for alternative medicine was sparked during my undergraduate studies in psychology, where I discovered the profound impact of holistic therapies on mental health. I hold a Doctorate in Acupuncture and have advanced training in TCM (Traditional Chinese Medicine).

EXPERIENCE

LEAD ACUPUNCTURE THERAPIST

Integrative Wellness Institute

2016 - Present

- Managed a diverse patient caseload, providing over 3,500 treatments annually with a focus on chronic pain and mental health.
- Implemented treatment protocols that improved patient outcomes by up to 80% for anxiety and depression.
- Conducted workshops on stress management and the benefits of acupuncture.
- Collaborated with healthcare providers to create comprehensive care plans for patients.
- Trained and supervised interns in acupuncture techniques and patient interactions.
- Utilized behavioral assessments to tailor treatments effectively.

ACUPUNCTURIST

Harmony Health Center

2014 - 2016

- Provided individualized acupuncture sessions, resulting in a 95% rate of symptom relief among patients.
- Developed community outreach programs that increased clinic visits by 40% within one year.
- Facilitated group acupuncture sessions to enhance accessibility to treatment.
- Maintained electronic health records for all patients, ensuring compliance with regulations.
- Participated in ongoing professional development through advanced acupuncture training.
- Evaluated patient progress and adapted treatment plans as necessary.
