ACHIEVEMENTS

- Increased client engagement in treatment programs by 40% through innovative workshop formats.
- Successfully implemented a peer support program that improved client retention rates.
- Received positive feedback from clients, with a 90% satisfaction rate in annual surveys.

PROFILE

I am a results-driven Addiction Counselor with over 5 years of experience in both inpatient and outpatient settings. My expertise lies in employing a client-centered approach that emphasizes the unique needs and circumstances of each individual. I have worked with diverse populations, including adolescents and adults, and have a strong understanding of the social, cultural, and economic factors that contribute to addiction.

EXPERIENCE

ADDICTION COUNSELOR

Bridgeway Recovery Services

2016 - Present

- Managed a caseload of 30 clients, providing weekly individual counseling sessions.
- Conducted comprehensive assessments and developed personalized recovery plans.
- Facilitated psychoeducational workshops on addiction and recovery strategies.
- Collaborated with external agencies to provide resources and referrals for clients.
- Documented client progress and maintained compliance with state and federal regulations.
- Participated in multidisciplinary team meetings to enhance treatment strategies.
