

# MICHAEL ANDERSON

## INTERNATIONAL ADOPTION COORDINATOR

### PROFILE

Accomplished Adoption Case Worker specializing in international adoptions with a robust background in cross-cultural communication and legal compliance. Adept at navigating the complexities of international adoption laws and regulations, ensuring that all processes are conducted ethically and efficiently. Committed to fostering positive relationships with families and children, providing comprehensive support throughout the adoption journey.

### EXPERIENCE

#### INTERNATIONAL ADOPTION COORDINATOR

##### Global Adoption Network

2016 - Present

- Oversaw the international adoption process for families, ensuring compliance with foreign regulations.
- Conducted pre-adoption counseling sessions to prepare families for cultural integration.
- Collaborated with foreign agencies to facilitate smooth transitions for children.
- Developed training materials on international adoption laws and practices.
- Maintained detailed records of cases, ensuring transparency and accountability.
- Advocated for children's needs in legal proceedings and negotiations.

#### ADOPTION CASE WORKER

##### Local Child Services

2014 - 2016

- Managed a diverse caseload, providing tailored support to families pursuing adoption.
- Conducted thorough home studies and family assessments to determine suitability.
- Facilitated communication between families and legal representatives.
- Organized community events to raise awareness about adoption opportunities.
- Monitored post-adoption follow-ups to ensure children's well-being.
- Utilized case management software to track family progress and outcomes.
