Michael Anderson

PROGRAM COORDINATOR

As a results-driven Adult Career Educator with over 6 years of experience in educational program management, I focus on equipping adults with the skills necessary for successful career transitions. My work has primarily been in the nonprofit sector, where I have developed and implemented impactful educational programs tailored to diverse adult populations, including veterans and underserved communities.

EXPERIENCE

PROGRAM COORDINATOR

Skills for Success

2016 - Present

- Coordinated career development programs for over 150 adult learners annually.
- Designed workshops on essential workplace skills, including teamwork and time management.
- Established partnerships with local businesses for job placement and internships.
- Conducted participant assessments to tailor educational resources to individual needs.
- Managed program budgets and ensured compliance with funding requirements.
- Facilitated community outreach to engage potential participants in program offerings.

CAREER COACH

Veterans Employment Program

2014 - 2016

- Provided career coaching to veterans transitioning to civilian employment.
- Developed resources and workshops specifically for veteran job seekers.
- Assisted clients in crafting resumes and preparing for interviews.
- Maintained relationships with local employers to connect veterans with job opportunities.
- Conducted follow-up sessions to monitor client progress and satisfaction.
- Utilized feedback to continuously improve coaching methodologies.
