MICHAEL ANDERSON

ADULT EDUCATION PROGRAM MANAGER

Results-oriented Adult Education Advisor with a strong background in workforce development and adult learning theories. Over 12 years of experience in designing and implementing educational programs that meet the needs of adult learners in various settings, including community colleges and non-profit organizations. Expertise in creating innovative training solutions that align with industry standards and employer expectations, significantly improving job placement rates for graduates.

PROFESSIONAL EXPERIENCE

Tech Skills Academy

Mar 2018 - Present

Adult Education Program Manager

- Managed a team of educators to develop and implement tech-focused adult education programs.
- Increased job placement rates by 35% through targeted training aligned with employer needs.
- Oversaw program evaluation processes, using data to improve curriculum and instructional methods.
- Organized industry partnerships to facilitate hands-on training opportunities for students.
- Delivered presentations to stakeholders on program success and future initiatives.
- Developed online resources that enhanced accessibility for remote learners.

Community College of Skills

Dec 2015 - Jan 2018

Workforce Development Coordinator

- Designed workforce development programs focused on in-demand skills, resulting in a 20% enrollment increase.
- Collaborated with faculty to integrate adult learning principles into curriculum design.
- Conducted labor market analysis to inform program development and adjustments.
- Facilitated workshops on career readiness, attracting over 300 participants annually.
- Established partnerships with local businesses to provide internships and job placements.
- Managed program budgets and resources effectively, ensuring sustainability.

ACHIEVEMENTS

- Received 'Excellence in Education' award from the National Association for Workforce Development in 2022.
- Increased program funding by \$100,000 through successful grant applications.
- Implemented a feedback system that improved student satisfaction ratings by 15%.
