# MICHAEL ANDERSON

## DIRECTOR OF ASSESSMENT

Dynamic Adult Education Assessment Specialist with more than 12 years of dedicated service in the adult education sector. My expertise encompasses a wide range of assessment methodologies and practices aimed at enhancing the learning experience for adult students. I have successfully led large-scale assessment projects that have resulted in improved educational outcomes and increased program effectiveness.

## **PROFESSIONAL EXPERIENCE**

### **Adult Learning Institute**

*Mar 2018 - Present*

Director of Assessment

- Oversaw the development and implementation of assessment strategies for multiple adult education programs.
- Managed a team of assessment specialists, ensuring alignment with best practices and standards.
- Conducted comprehensive needs assessments to inform program development and improvement.
- Analyzed assessment data to evaluate program impact and guide strategic decisions.
- Facilitated workshops for faculty on integrating assessment into curriculum design.
- Established partnerships with community organizations to enhance assessment outreach and accessibility.

### **Regional Vocational School**

*Dec 2015 - Jan 2018*

Assessment and Evaluation Specialist

- Designed and implemented assessment tools to evaluate vocational training programs for adults.
- Conducted data analysis to measure learning outcomes and program effectiveness.
- Collaborated with instructors to refine assessment practices based on learner feedback.
- Provided training sessions on assessment techniques to enhance instructor capabilities.
- Developed rubrics for evaluating student work, improving consistency in grading.
- Presented assessment findings at regional education conferences, sharing best practices with peers.

## **ACHIEVEMENTS**

- Achieved a 30% improvement in program completion rates through targeted assessment strategies.
- Recognized with a national award for innovative assessment practices in adult education.
- Published research on adult education assessment methods in a leading educational journal.
