## WORK EXPERIENCE

### Adult Literacy Program Coordinator

2020-2023

Reading for Life

- Coordinated adult literacy programs that improved reading and writing skills for over 200 participants.
- Developed interactive workshops that increased learner engagement and motivation.
- Utilized assessment tools to track student progress and tailor instruction accordingly.
- Collaborated with local libraries to provide resources and support for learners.
- Organized community events to raise awareness of adult literacy issues.
- Provided training for volunteers to effectively support adult learners.

### Skills Development Facilitator

2019-2020

Lifelong Learning Center

- Facilitated skills development workshops that focused on career readiness and job search strategies.
- Created customized learning materials to meet the needs of diverse adult learners.
- Monitored participant progress and provided individualized support to help achieve goals.
- Engaged with local employers to identify skills in demand and align training programs accordingly.
- Evaluated program outcomes and made recommendations for improvement.
- Promoted program visibility through social media and community partnerships.

## ACHIEVEMENTS

- Increased literacy program enrollment by 40% through targeted marketing efforts.
- Received 'Innovative Program Award' for creative approaches to adult literacy education.
- Successfully matched over 50 learners with job placement opportunities.
