- English
- Spanish
- French

Compassionate Adult Education Policy Researcher with over 6 years of experience dedicated to improving educational outcomes for adult learners. My journey in education began as a volunteer tutor, leading me to pursue a career focused on educational policy development. I specialize in conducting research that highlights barriers to education and develops strategies to address these challenges.

WORK EXPERIENCE

Research Consultant
2020-2023

Learning Policy Institute

- Conducted research on adult education policies and their impact on learning outcomes.
- Collaborated with educational organizations to develop policy recommendations.
- Analyzed data to identify trends in adult learner success rates.
- Facilitated focus groups to gather insights from adult learners.
- Prepared comprehensive reports to inform stakeholders of research findings.
- Engaged with community partners to promote research initiatives.

Program Evaluator
2019-2020

Adult Learning Center

- Evaluated the effectiveness of adult education programs through qualitative and quantitative methods.
- Worked with program staff to identify areas for improvement based on evaluation findings.
- Created evaluation frameworks to measure program success.
- Presented evaluation results to stakeholders to advocate for program funding.
- Collaborated with community organizations to enhance program outreach.
- Trained staff on evaluation practices and data collection methods.

ACHIEVEMENTS

- Authored a white paper that influenced state education policy regarding adult learning.
- Increased adult learner engagement in programs by 35% through targeted outreach efforts.
- Recognized for exemplary research contributions by a national educational organization in 2022.
