Strategic Adult Education Trainer with a focus on business and leadership training, bringing over 11 years of experience in corporate environments. I have a strong track record of developing high-impact training programs that enhance leadership skills and business acumen among adult learners. My expertise includes needs analysis, curriculum design, and evaluation of training programs to ensure alignment with organizational goals.

## WORK EXPERIENCE

### Leadership Development Trainer | Corporate Excellence Group

Jan 2022 – Present

- Designed and facilitated leadership training programs for mid-level managers.
- Conducted needs assessments to tailor programs to specific organizational objectives.
- Utilized case studies and simulations to enhance learning experiences.
