MICHAEL ANDERSON

SENIOR PROGRAM COORDINATOR

Dedicated Adult Learning Assessment Specialist with a strong background in non-profit education programs. Over 12 years of experience designing assessments that support adult learners from diverse backgrounds. Deep understanding of the challenges faced by adult learners and the ability to create supportive assessment environments. Skilled in community outreach and collaboration with stakeholders to develop meaningful learning assessments.

PROFESSIONAL EXPERIENCE

Empower Education Foundation

Mar 2018 - Present

Senior Program Coordinator

- Developed and evaluated adult learning assessments that improved learner outcomes by 35% year over year.
- Coordinated community workshops to educate stakeholders on the importance of effective assessment practices.
- Led a team of assessors in the implementation of inclusive assessment strategies.
- Facilitated focus groups to gather qualitative data on learner experiences and assessment efficacy.
- Monitored and analyzed assessment data to identify areas for program improvement.
- Collaborated with local organizations to develop joint assessment initiatives that expand access to education.

Community Learning Initiative

Dec 2015 - Jan 2018

Assessment Specialist

- Designed assessment tools that increased program enrollment by 20% through targeted outreach.
- Conducted training sessions for staff on assessment best practices tailored to adult learners.
- Evaluated the impact of assessments on learner satisfaction and engagement.
- Collaborated with educational institutions to align assessments with curriculum standards.
- Utilized qualitative and quantitative methods to assess program effectiveness.
- Engaged with community stakeholders to promote the importance of adult education assessments.

ACHIEVEMENTS

- Received the Community Impact Award for contributions to adult education initiatives in 2021.
- Successfully secured funding for assessment projects that improved educational access for underserved populations.
- Published articles on adult assessment practices in reputable education journals, enhancing community awareness.
