### WORK EXPERIENCE

#### ADULT LEARNING COORDINATOR

Health First Medical Center

2020 - 2025

- Designed and delivered training programs that improved clinical skills among over 500 healthcare professionals.
- Conducted needs assessments to identify gaps in knowledge and skills, resulting in targeted training initiatives.
- Utilized simulation-based learning tools to enhance practical skills and improve patient outcomes.
- Collaborated with physicians and nursing staff to develop evidence-based training content.
- Evaluated training effectiveness through pre- and post-training assessments, achieving a 30% increase in competency scores.
- Facilitated peer review sessions that encouraged knowledge sharing and continuous improvement among staff.

#### TRAINING COORDINATOR

Wellness Health Group

2015 - 2020

- Managed the development and implementation of orientation programs for new healthcare employees.
- Conducted training workshops on patient safety and compliance, resulting in a 20% reduction in incidents.
- Partnered with clinical leaders to align training with departmental goals and objectives.
- Developed online training modules that increased accessibility for off-site staff.
- Utilized feedback mechanisms to assess training impact and make necessary adjustments.
- Produced training manuals and resources that enhanced staff knowledge and adherence to protocols.
