### WORK EXPERIENCE

#### CLINICAL EDUCATOR

Health First Hospital

2020 - 2025

- Developed and facilitated clinical training programs that improved staff competencies by 30%.
- Utilized simulation-based learning to enhance hands-on skills and confidence among new nurses.
- Conducted ongoing assessments to evaluate training effectiveness and participant satisfaction.
- Collaborated with department leaders to align training with organizational goals.
- Provided mentorship to nursing staff, fostering a culture of continuous improvement.
- Implemented feedback loops to refine training modules based on participant input.

#### NURSING INSTRUCTOR

City College of Nursing

2015 - 2020

- Taught adult learners in nursing programs, focusing on clinical skills and patient care.
- Designed course materials that integrated current healthcare practices and standards.
- Utilized technology to enhance learning, including online simulations and virtual classrooms.
- Mentored student nurses, providing guidance and support throughout their educational journey.
- Conducted program evaluations to ensure alignment with accreditation standards.
- Organized workshops on professional development and continuing education for nursing staff.
