

MICHAEL ANDERSON

CORPORATE TRAINING MANAGER

PROFILE

Results-driven Adult Learning Specialist with a focus on corporate training and development. With over 7 years of experience in the corporate sector, I specialize in designing training modules that enhance employee performance and organizational growth. I am skilled in conducting training needs assessments and utilizing various instructional technologies to create effective learning experiences that yield measurable results.

EXPERIENCE

CORPORATE TRAINING MANAGER

Innovative Solutions Inc.

2016 - Present

- Designed and delivered training programs for over 500 employees across various departments.
- Implemented a mentorship program that improved employee retention rates by 20%.
- Analyzed training effectiveness through metrics and feedback, resulting in a 30% increase in program participation.
- Collaborated with HR to align training initiatives with corporate goals and employee career paths.
- Facilitated virtual training sessions that engaged remote employees effectively.
- Created an onboarding program that reduced new hire ramp-up time by 40%.

ADULT LEARNING FACILITATOR

Tech Solutions Group

2014 - 2016

- Conducted training workshops on new technologies and software for adult learners.
- Facilitated focus groups to gather feedback on training needs and preferences.
- Developed engaging multimedia content that enhanced learning experiences.
- Tracked learner progress using LMS, providing regular updates to stakeholders.
- Organized quarterly training evaluations, leading to program enhancements and increased satisfaction.
- Played a key role in the transition to virtual training environments during the pandemic.
