

Michael

ANDERSON

PROJECT MANAGER

Innovative and strategic Adult Program Coordinator with a solid foundation in project management and community development. With over 9 years of experience in the adult education sector, I have successfully led programs focused on personal development and skill enhancement. My ability to analyze community needs and develop responsive programming has resulted in significant improvements in participant engagement and satisfaction.

WORK EXPERIENCE

PROJECT MANAGER

Future Skills Initiative

2020 - 2025

- Led the development of a new adult skills training program that increased participant engagement by 40%.
