# MICHAEL ANDERSON

## GERIATRIC NURSE PRACTITIONER

Results-driven Advanced Practice Nurse with over 15 years of experience in geriatric care and long-term health management. My focus is on providing quality care to the elderly population, ensuring their dignity and comfort in all interactions. I have significant experience in managing complex medical conditions, coordinating care across multiple disciplines, and advocating for patient needs.

## PROFESSIONAL EXPERIENCE

### **Golden Age Health Center**

*Mar 2018 - Present*

Geriatric Nurse Practitioner

- Managed care for a diverse population of elderly patients with chronic illnesses.
- Conducted comprehensive geriatric assessments to determine healthcare needs.
- Collaborated with family members and caregivers to develop personalized care plans.
- Implemented fall prevention strategies, reducing incidents by over 20%.
- Educated staff on best practices in geriatric care and patient safety.
- Facilitated support groups for families dealing with dementia and Alzheimer's disease.

### **Lakeside Rehabilitation Hospital**

*Dec 2015 - Jan 2018*

Staff Nurse

- Cared for patients recovering from surgery and illness in a rehabilitation setting.
- Participated in interdisciplinary team meetings to coordinate care for complex cases.
- Educated patients about recovery goals and self-management strategies.
- Monitored patient progress and communicated changes to the healthcare team.
- Contributed to quality improvement projects that enhanced discharge planning processes.
- Provided emotional support to patients and families during challenging transitions.

## ACHIEVEMENTS

- Received the 'Excellence in Geriatric Care' award from the State Nursing Association in 2021.
- Implemented a patient education program that improved medication adherence among elderly patients by 35%.
- Presented findings on geriatric care improvements at a national nursing conference.
