- Successfully secured grants totaling \$30,000 for program expansion and sustainability.
- Recognized for outstanding community service initiatives by the Local Community Council.

PROFILE

Innovative Adventure Recreation Coordinator specializing in experiential learning and youth engagement through outdoor activities. With a robust background in educational programming and a passion for environmental conservation, this professional has successfully designed and implemented numerous programs that foster personal growth and team-building skills among participants. Known for cultivating a safe and inclusive environment that encourages exploration and adventure, while also prioritizing participant safety and risk management.

EXPERIENCE

ADVENTURE ACTIVITIES MANAGER

Exploration Zone

2016 - Present

- Directed the planning and execution of over 100 adventure programs annually, attracting diverse participants.
- Developed partnerships with educational institutions to integrate adventure learning into their curricula.
- Trained and mentored a team of instructors, enhancing their skills in safety and program delivery.
- Evaluated program outcomes, utilizing data to inform future program enhancements and participant recruitment strategies.
- Implemented eco-friendly practices in program operations, reducing environmental impact by 20%.
- Established a mentorship program connecting experienced adventurers with new participants, fostering community and support.

YOUTH PROGRAM COORDINATOR

Adventure Awaits

2014 - 2016

- Created and led adventure-based educational programs for youth, promoting teamwork and resilience.
- Designed marketing strategies that increased program enrollment by 50% within the first year.
- Conducted risk assessments for all activities, ensuring compliance with safety regulations.
- Facilitated workshops on leadership and personal development, receiving positive feedback from participants.
- Coordinated volunteer efforts for community service projects, enhancing local partnerships.
- Maintained accurate records of participant progress and program metrics for continuous improvement.
