EXPERTISE SKILLS

- CAD
- Autodesk Inventor
- Prototyping
- Performance Testing
- Technical Documentation
- Team Collaboration

LANGUAGES

- English
- Spanish
- French

CERTIFICATION

- Bachelor of Science in Aerospace Engineering, Georgia Institute of Technology

MICHAEL ANDERSON

AEROSPACE CAD SPECIALIST

Dynamic Aerospace CAD Engineer with a proven history in the development of high-performance aerospace systems. Combines technical acumen with a passion for innovation, contributing to the design and optimization of aerospace components. Proficient in advanced CAD software and simulation tools, with a focus on enhancing product reliability and performance. Strong analytical skills utilized in problem-solving and troubleshooting design challenges.

PROFESSIONAL EXPERIENCE

AeroDynamics Corp.

Mar 2018 - Present

Aerospace CAD Specialist

- Designed and modeled aerospace components using Autodesk Inventor.
- Developed prototypes and conducted performance testing.
- Collaborated with engineers to refine design specifications.
- Assisted in the development of technical documentation for production.
- Managed CAD database and ensured data integrity.
- Participated in design brainstorming sessions to drive innovation.

Skyward Technologies

Dec 2015 - Jan 2018

Junior Aerospace Engineer

- Supported senior engineers in creating CAD models and drawings.
- Conducted research on new materials and technologies for aerospace applications.
- Assisted in the preparation of project reports and presentations.
- Maintained project schedules and tracked deliverables.
- Engaged in ongoing training to stay current with industry trends.
- Facilitated communication between engineering and production teams.

ACHIEVEMENTS

- Streamlined design processes, reducing project turnaround time by 30%.
- Contributed to a successful product launch that exceeded sales targets.
- Earned commendation for exceptional teamwork in a cross-functional project.
