#### SKILLS

- Quality Assurance
- Manufacturing Processes
- Auditing
- Statistical Process Control
- Continuous Improvement
- Team Leadership

#### LANGUAGES

- English
- Spanish
- French

#### EDUCATION

**BACHELOR OF SCIENCE IN AEROSPACE ENGINEERING, GEORGIA INSTITUTE OF TECHNOLOGY**

#### ACHIEVEMENTS

- Achieved a 25% reduction in production costs through quality improvements.
- Recognized with the Quality Excellence Award for outstanding contributions to manufacturing quality.
- Developed a training program that improved staff awareness of quality standards.

#### WORK EXPERIENCE

##### QUALITY ASSURANCE MANAGER

Precision Aerospace

2020 - 2025

- Developed and implemented quality assurance protocols, reducing defects by 15%.
- Conducted audits of manufacturing processes to ensure compliance with AS9100 standards.
- Led training sessions for staff on quality control practices and procedures.
- Collaborated with manufacturing teams to identify and resolve quality issues.
- Utilized statistical process control (SPC) to monitor production quality metrics.
- Prepared comprehensive reports on quality performance for senior management.

##### MANUFACTURING ENGINEER

AeroManufacture Co.

2015 - 2020

- Streamlined manufacturing processes, resulting in a 20% increase in productivity.
- Assisted in the design of fixtures and tooling for production lines.
- Conducted failure analysis to identify root causes of defects and implemented corrective actions.
- Collaborated with quality teams to ensure compliance with manufacturing standards.
- Engaged in continuous improvement projects to enhance production efficiency.
- Documented processes and best practices for knowledge sharing across teams.
