EXPERTISE SKILLS

- Curriculum Coordination
- Student Mentorship
- Aerospace Systems
- CAD Software
- Community Outreach
- Technology Integration

LANGUAGES

- English
- Spanish
- French

CERTIFICATION

- Bachelor's in Aerospace Engineering, University of Aerospace, 2009

MICHAEL ANDERSON

AEROSPACE ENGINEERING PROGRAM COORDINATOR

Experienced Aerospace Engineering Educator with over 12 years in higher education and a robust background in aerospace systems and design.

Demonstrates a strong commitment to student success through innovative teaching techniques and comprehensive curriculum development. Skilled in fostering collaborative learning environments and integrating technology into the classroom to enhance the educational experience.

PROFESSIONAL EXPERIENCE

University of Engineering Sciences

Mar 2018 - Present

Aerospace Engineering Program Coordinator

- Coordinated the development of a new aerospace engineering curriculum.
- Implemented innovative teaching strategies to improve student outcomes.
- Organized industry partnerships for student internships and projects.
- Mentored faculty in integrating technology into their teaching.
- Led accreditation efforts for the aerospace program.
- Conducted research on student learning outcomes in engineering education.

Technical Institute of Technology

Dec 2015 - Jan 2018

Lecturer in Aerospace Engineering

- Taught courses in aerospace systems and vehicle design.
- Engaged students in hands-on design projects utilizing CAD software.
- Facilitated workshops on aerospace manufacturing processes.
- Advised student engineering clubs and initiatives.
- Participated in curriculum development committees.
- Contributed to community outreach programs promoting STEM.

ACHIEVEMENTS

- Led the aerospace program to achieve national accreditation.
- Received the Faculty Excellence Award for innovative teaching methods.
- Published articles on aerospace education in recognized journals.
