WORK EXPERIENCE

Rural Development Policy Analyst

2020-2023

Rural Advancement Foundation

- Analyzed rural development policies to assess their impact on agricultural innovation.
- Collaborated with local stakeholders to develop community-focused agricultural initiatives.
- Conducted surveys and focus groups to gather data on rural agricultural practices.
- Prepared policy briefs that informed decision-making at the local government level.
- Facilitated workshops to educate rural communities on sustainable practices.
- Monitored the implementation of agricultural policies in rural areas.

Policy Intern

2019-2020

National Rural Development Agency

- Assisted in the research and analysis of rural development policies.
- Supported outreach initiatives to engage rural communities in policy discussions.
- Participated in the preparation of reports for policy recommendations.
- Contributed to data collection efforts to inform policy development.
- Maintained records of stakeholder engagement and feedback.
- Helped organize community events to promote agricultural education.

ACHIEVEMENTS

- Developed a policy initiative that improved access to agricultural resources for rural communities.
- Recognized for outstanding contributions to rural policy development with the 'Rural Champion Award'.
- Presented research findings at local forums, enhancing community awareness of agricultural policies.
