MICHAEL ANDERSON

URBAN HORTICULTURE COORDINATOR

A dedicated Agricultural Extension Horticulturist with 12 years of experience specializing in urban horticulture and community garden initiatives. Expertise in developing programs that enhance community access to fresh produce while promoting environmental sustainability. Proven track record of collaborating with urban planners, local governments, and community organizations to establish successful urban gardening projects.

PROFESSIONAL EXPERIENCE

City Green Project

Mar 2018 - Present

Urban Horticulture Coordinator

- Led urban gardening initiatives to promote local food production.
- Organized community workshops on container gardening techniques.
- Collaborated with local schools to implement gardening programs.
- Developed online resources for urban gardeners.
- Facilitated partnerships with local businesses for garden supplies.
- Conducted assessments of community garden impact on food access.

Urban Agriculture Institute

Dec 2015 - Jan 2018

Horticultural Educator

- Delivered training sessions on urban farming techniques.
- Engaged with community members to promote horticultural literacy.
- Developed educational materials tailored for urban audiences.
- Coordinated volunteer programs for community garden maintenance.
- Monitored and evaluated program effectiveness through surveys.
- Hosted community events to celebrate urban gardening successes.

ACHIEVEMENTS

- Established over 15 community gardens in urban neighborhoods.
- Increased community participation in gardening programs by 50%.
- Received community service award for contributions to urban agriculture.
