UNIVERSITY, 2016**

ACHIEVEMENTS

- Increased farmer participation in organic programs by 40% within two years.
- Awarded 'Best Community Engagement Program' by the State Department of Agriculture.
- Secured a \$150,000 grant for sustainable agriculture research.

PROFILE

A dynamic agricultural extension officer with extensive experience in organic agriculture and sustainable practices. Proven ability to develop and implement educational programs that empower farmers to adopt environmentally friendly farming methods. Expertise in conducting field trials and providing technical support to enhance crop quality and yield. Committed to fostering partnerships with local communities and agricultural organizations to promote organic farming.

EXPERIENCE

ORGANIC AGRICULTURE PROGRAM MANAGER

EcoFarm Initiative

2016 - Present

- Managed a team of agricultural specialists to deliver organic farming education.
- Developed and executed training workshops that reached over 500 farmers.
- Utilized GIS technology to assess land suitability for organic farming.
- Collaborated with NGOs to expand outreach programs in underserved areas.
- Monitored and evaluated program outcomes to ensure alignment with sustainability goals.
- Negotiated partnerships with local businesses to support organic product distribution.

FIELD EXTENSION AGENT

Local Agricultural Office

2014 - 2016

- Delivered hands-on training to farmers on organic pest management techniques.
- Conducted soil fertility assessments to guide farmers in organic amendments.
- Organized field days to demonstrate successful organic practices to the community.
- Collected and analyzed crop yield data to measure program effectiveness.
- Provided one-on-one consultations to farmers on organic certification processes.
- Facilitated knowledge-sharing sessions among farmers to promote best practices.
