WORK EXPERIENCE

Community Agricultural Officer

2020-2023

Local Agriculture Cooperative

- Engaged with over 200 farmers to promote sustainable soil practices.
- Designed and implemented educational programs on soil health and conservation.
- Conducted soil assessments to guide farmers in best practices.
- Facilitated farmer-to-farmer knowledge exchange sessions.
- Collaborated with local government to support agricultural initiatives.
- Developed outreach materials to educate the community on soil management.

Soil Health Promoter

2019-2020

Community Development Organization

- Organized workshops focused on soil conservation and health.
- Provided on-site consultations to farmers regarding soil issues.
- Developed partnerships with local NGOs to enhance agricultural outreach.
- Conducted follow-up assessments to evaluate program effectiveness.
- Engaged local schools in soil education initiatives.
- Advocated for policies supporting sustainable agricultural practices.

ACHIEVEMENTS

- Increased farmer engagement in soil health initiatives by 70% in three years.
- Received the Community Service Award for outstanding contributions to local agriculture.
- Successfully secured funding for soil health programs from local government grants.
