EDUCATION

**BACHELOR OF SCIENCE IN AGRONOMY,
IOWA STATE UNIVERSITY**

ACHIEVEMENTS

- Increased farmer adoption of sustainable practices by 40% in two years.
- Awarded 'Excellence in Project Management' by InnovateAgri in 2020.
- Published a guide on best practices for technology adoption in agriculture.

PROFILE

Dynamic agricultural innovation broker with a robust background in agronomy and technology transfer. Specializes in bridging the gap between agricultural research and practical application, ensuring that innovative practices are effectively implemented in the field. Skilled in project management, stakeholder engagement, and capacity building, with a proven track record of enhancing productivity through targeted interventions.

EXPERIENCE

PROJECT MANAGER

InnovateAgri

2016 - Present

- Oversaw the implementation of technology transfer projects across multiple regions.
- Conducted training sessions for farmers on new agricultural technologies.
- Collaborated with universities to align research with industry needs.
- Managed budgets exceeding \$1 million for agricultural innovation projects.
- Developed monitoring and evaluation frameworks to assess project impact.
- Facilitated stakeholder meetings to ensure project alignment and support.

AGRICULTURAL DEVELOPMENT OFFICER

Global Green Initiative

2014 - 2016

- Worked with local farmers to implement sustainable farming practices.
- Conducted assessments to identify barriers to innovation adoption.
- Developed partnerships with NGOs to support community-based projects.
- Organized agricultural fairs to showcase innovative practices.
- Provided technical support to enhance crop management strategies.
- Monitored project outcomes and reported findings to stakeholders.
