Michael Anderson

INTERNATIONAL DEVELOPMENT CONSULTANT

I am an experienced Agricultural Policy Researcher with a focus on international agricultural development. Over the past eight years, I have worked in various capacities, including field research and policy advocacy, across different countries. My expertise includes evaluating agricultural policies, understanding global food systems, and working with international organizations.

EXPERIENCE

INTERNATIONAL DEVELOPMENT CONSULTANT

World Food Program

2016 - Present

- Evaluated agricultural policies impacting food security in developing countries.
- Collaborated with local governments to design sustainable agricultural programs.
- Conducted field research to gather data on farming practices and challenges.
- Facilitated stakeholder workshops to promote policy dialogue.
- Authored reports that informed international agricultural policy discussions.
- Provided technical assistance to enhance local agricultural capacity.

POLICY ADVISOR

International Fund for Agricultural Development

2014 - 2016

- Advised on agricultural policy frameworks for poverty reduction strategies.
- Conducted research on the impact of agricultural investments on rural development.
- Collaborated with NGOs to implement community-based agricultural initiatives.
- Presented findings to international stakeholders at global conferences.
- Authored policy briefs that shaped international funding priorities.
- Analyzed data to evaluate the effectiveness of agricultural programs.
