ACHIEVEMENTS

- Successfully launched a city-wide urban gardening initiative that increased access to fresh produce.
- Received the 'Community Innovator Award' for outstanding contributions to urban agriculture.
- Increased program funding by 60% through successful grant applications and partnerships.

PROFILE

Results-driven Agricultural Program Coordinator with a diverse background in urban agriculture and community development. Over 5 years of experience in designing and implementing urban farming initiatives that address food insecurity in metropolitan areas. I have a strong ability to engage with community members and local organizations to create educational programs that promote healthy eating and sustainable practices.

EXPERIENCE

URBAN AGRICULTURE COORDINATOR

City Harvest

2016 - Present

- Managed urban farming projects that served over 1,000 families in low-income neighborhoods.
- Developed educational workshops on nutrition and gardening that increased community engagement by 50%.
- Collaborated with local schools to implement garden programs that enhanced student learning.
- Secured \$200,000 in grants to fund urban agriculture initiatives.
- Established partnerships with local nonprofits to support food distribution efforts.
- Monitored program outcomes and prepared reports for stakeholders, showcasing impact and areas for improvement.

COMMUNITY OUTREACH SPECIALIST

Food for All

2014 - 2016

- Led outreach campaigns that increased awareness of food access issues in urban areas.
- Organized community events that brought together over 500 residents to discuss local agriculture.
- Developed promotional materials that improved program visibility and participation.
- Coordinated volunteer efforts for urban gardening projects, enhancing community investment.
- Conducted surveys to assess community needs and adapt programs accordingly.
- Collaborated with city officials to promote policies supporting urban agriculture.
