EDUCATION

BACHELOR OF SCIENCE IN AGRICULTURAL SCIENCE, UNIVERSITY OF FLORIDA

ACHIEVEMENTS

- Increased farmer participation in training programs by 40% over two years.
- Recipient of the 'Community Impact Award' from the Local Agricultural Society in 2020.
- Successfully launched a digital platform connecting farmers with agricultural resources.

PROFILE

Accomplished Agriculture and Rural Development Officer with an extensive background in community engagement and sustainable farming initiatives. Recognized for the ability to bridge the gap between agricultural science and practical implementation within rural communities. Proven expertise in developing training programs tailored to the needs of farmers, enhancing their skills in modern agricultural techniques.

EXPERIENCE

COMMUNITY AGRICULTURAL DEVELOPMENT COORDINATOR

Rural Empowerment Project

2016 - Present

- Coordinated community outreach programs to educate farmers on sustainable practices.
- Developed instructional materials and resources for training workshops.
- Monitored and evaluated program effectiveness and participant feedback.
- Facilitated partnerships with local businesses to support farmers' market initiatives.
- Organized agricultural fairs to promote local produce and connect farmers with consumers.
- Conducted field visits to assess the needs and challenges faced by farmers.

AGRICULTURAL EXTENSION OFFICER

State Agricultural Department

2014 - 2016

- Delivered extension services to farmers, providing guidance on crop management.
- Conducted workshops on pest management and soil health improvement.
- Utilized technology to enhance communication and information dissemination.
- Engaged with farmer cooperatives to foster collective action and resource sharing.
- Assisted in the development of local agricultural policies and initiatives.
- Participated in research projects to evaluate the impact of agricultural interventions.
