## POLICY ADVISOR - AGRITECH

Resilient Agritech Strategy Consultant with a diverse background in agricultural policy and technology innovation. Skilled in analyzing complex agricultural systems and formulating strategies that bridge the gap between traditional practices and modern technological advancements. This professional possesses a strong aptitude for stakeholder engagement and community outreach, ensuring that solutions are not only effective but also culturally appropriate and widely accepted.

## EXPERIENCE

### POLICY ADVISOR - AGRITECH

Global AgriPolicy Group

2016 - Present

- Provided strategic advice on agritech policies to government agencies and NGOs.
- Conducted impact assessments of agritech initiatives on rural communities.
- Facilitated stakeholder consultations to gather insights on policy development.
- Collaborated with international organizations to promote agritech best practices.
- Drafted policy briefs and recommendations for decision-makers.
- Monitored and evaluated the effectiveness of implemented policies.

### COMMUNITY ENGAGEMENT CONSULTANT

AgriConnect

2014 - 2016

- Developed community outreach programs to promote sustainable farming practices.
- Engaged with local farmers to assess their needs and challenges.
- Coordinated training sessions on the benefits of agritech adoption.
- Facilitated partnerships between farmers and agritech companies.
- Conducted evaluations of community programs to measure impact and effectiveness.
- Prepared reports for stakeholders detailing program outcomes and recommendations.
