### SUMMARY

An accomplished Aircraft Assembly Engineer with over 10 years of experience in the aerospace industry, specializing in the design and assembly of complex aircraft systems. Expertise in leading cross-functional teams to achieve operational excellence and enhance product quality. Proven track record of implementing innovative engineering solutions that streamline processes and reduce costs.

### WORK EXPERIENCE

#### Senior Aircraft Assembly Engineer AeroTech Industries

Jan 2023 - Present

- Led the assembly of state-of-the-art aircraft, ensuring adherence to strict quality standards.
- Developed and executed assembly plans that reduced production time by 15%.
- Collaborated with design engineers to enhance assembly processes.
- Conducted root cause analysis to address assembly defects, improving quality metrics.
- Trained and mentored junior engineers in assembly techniques and safety protocols.
- Implemented lean manufacturing principles that resulted in a 20% reduction in waste.

#### Aircraft Assembly Engineer Skyward Aviation

Jan 2020 - Dec 2022

- Assisted in the assembly of commercial aircraft components with a focus on precision and efficiency.
- Utilized CAD software to develop assembly layouts and specifications.
- Participated in safety audits and ensured compliance with FAA regulations.
- Maintained detailed documentation of assembly processes for quality assurance.
- Worked closely with suppliers to verify the quality of incoming components.
- Facilitated continuous improvement initiatives that enhanced productivity by 10%.

### EDUCATION

#### Master's Degree in Aerospace Engineering, MIT, 2012

Sep 2019 - Oct 2020
