MICHAEL ANDERSON

SAFETY MANAGEMENT SYSTEMS COORDINATOR

Accomplished Airport Administrator with extensive experience in regulatory compliance and operational safety management. Over 12 years of experience in the aviation sector, specializing in risk assessment and mitigation strategies to ensure safe airport operations. Proven ability to develop and implement comprehensive safety programs that align with federal regulations and enhance overall operational integrity.

PROFESSIONAL EXPERIENCE

Aviation Safety Bureau

Mar 2018 - Present

Safety Management Systems Coordinator

- Developed and implemented safety management systems in compliance with aviation regulations.
- Conducted safety audits and risk assessments to identify potential hazards.
- Facilitated safety training programs for airport personnel.
- Collaborated with stakeholders to enhance emergency response protocols.
- Monitored compliance with safety metrics and reported findings to management.
- Led incident investigation teams to analyze root causes and implement corrective actions.

Airport Regulatory Agency

Dec 2015 - Jan 2018

Compliance Specialist

- Ensured compliance with federal and state aviation regulations.
- Reviewed and approved airport operational plans and safety programs.
- Conducted inspections and audits of airport facilities and operations.
- Provided guidance and support to airport management on compliance issues.
- Collaborated with local authorities to address regulatory concerns.
- Prepared detailed reports for regulatory review and action.

ACHIEVEMENTS

- Successfully reduced safety incidents by 40% through proactive safety initiatives.
- Recognized for contributions to the development of a leading safety management framework.
- Received commendation from the FAA for excellence in regulatory compliance efforts.
