

MICHAEL ANDERSON

AIRWORTHINESS COMPLIANCE ENGINEER

PROFILE

Dedicated Airworthiness Engineer with a robust background in aerospace safety and compliance, possessing over 7 years of experience in the aviation industry. Expertise in the development and implementation of airworthiness directives, ensuring operational safety and regulatory adherence. Proficient in conducting thorough inspections and evaluations, utilizing advanced engineering principles to assess aircraft systems.

EXPERIENCE

AIRWORTHINESS COMPLIANCE ENGINEER

SkySafe Technologies

2016 - Present

- Evaluated compliance of aircraft systems with FAA regulations.
- Conducted detailed inspections and assessments of aircraft components.
- Collaborated with engineering teams to address airworthiness issues.
- Developed training materials for staff on safety protocols.
- Maintained accurate records of airworthiness evaluations.
- Assisted in the development of safety management plans.

JUNIOR AIRWORTHINESS ENGINEER

AeroDynamics Corp

2014 - 2016

- Supported senior engineers in airworthiness investigations.
- Conducted inspections of aircraft for compliance with safety standards.
- Assisted in preparing documentation for regulatory submissions.
- Participated in safety audits and inspections.
- Analyzed performance data to identify safety trends.
- Contributed to team meetings with insights on airworthiness challenges.
