WORK EXPERIENCE

Disaster Response Coordinator

2020-2023

State Emergency Management Agency

- Coordinated multi-agency responses during natural disasters, ensuring effective resource deployment.
- Developed and implemented emergency response plans tailored to community needs.
- Conducted training exercises to prepare teams for disaster scenarios.
- Managed logistics for medical supplies and equipment during large-scale emergencies.
- Engaged with community leaders to promote disaster preparedness initiatives.
- Evaluated response effectiveness and identified areas for improvement post-incident.

Ambulance Officer

2019-2020

Regional Ambulance Services

- Provided emergency medical care and transport in disaster-affected areas.
- Assisted in triaging patients and coordinating with other emergency services.
- Maintained readiness through participation in disaster response drills and training.
- Documented all patient interactions and care provided in compliance with standards.
- Collaborated with local authorities to enhance community emergency response capabilities.
- Promoted disaster preparedness education through community workshops.

ACHIEVEMENTS

- Received the 'Excellence in Disaster Response' award for outstanding service during Hurricane Relief.
- Increased community participation in disaster preparedness programs by 50%.
- Successfully led a response team during a multi-casualty event, ensuring effective care delivery.
