SKILLS

- Python
- SQL
- Minitab
- Operations Analytics
- Process Improvement
- Data Visualization

EDUCATION

**BACHELOR'S IN INDUSTRIAL
ENGINEERING, UNIVERSITY OF
ENGINEERING**

LANGUAGE

- English
- Spanish
- German

ACHIEVEMENTS

- Awarded for leading a project that decreased production downtime by 30%.
- Recognized for excellence in operational analytics at the annual company awards.
- Contributed to a significant reduction in waste, resulting in annual savings of \$150,000.

Michael Anderson

OPERATIONS ANALYTICS CONSULTANT

Strategic Analytics Consultant with over 6 years of experience in the manufacturing sector, specializing in operations analytics and process improvement. My background in engineering and data analysis allows me to identify inefficiencies and implement data-driven solutions that enhance productivity and reduce costs. I have successfully led cross-functional teams to execute projects that drive operational excellence.

EXPERIENCE

OPERATIONS ANALYTICS CONSULTANT

Manufacturing Solutions Group

2016 - Present

- Led process improvement initiatives that reduced production costs by 15%.
- Developed analytical models to optimize supply chain operations, improving efficiency by 25%.
- Worked closely with engineering teams to analyze production data for quality control.
