## SKILLS

- Kotlin
- Android Studio
- Firebase
- UX/UI Design
- Git
- Agile

## EDUCATION

**BACHELOR OF SCIENCE IN INFORMATION TECHNOLOGY, TECH UNIVERSITY, 2020**

## LANGUAGE

- English
- Spanish
- German

## ACHIEVEMENTS

- Developed an award-winning app recognized for its innovative features and design.
- Improved application performance metrics by 20% through optimization strategies.
- Received positive user feedback, enhancing the app's rating to 4.8 stars.

# Michael Anderson

## ANDROID DEVELOPER

As an innovative Android Developer with 3 years of experience, I focus on creating applications that are not only functional but also engaging. My journey in mobile development started with building personal projects which sparked my desire to turn ideas into reality. I have gained experience in various programming languages and frameworks, with a particular emphasis on Kotlin and Android Studio.

## EXPERIENCE

### ANDROID DEVELOPER

SmartApps Ltd.

2016 - Present

- Designed and developed a popular mobile app that garnered over 50,000 downloads within the first month.
- Worked with designers to create engaging user interfaces that improved user retention by 30%.
- Implemented features using Kotlin, enhancing app performance and responsiveness.
- Participated in code reviews, contributing to a culture of quality and continuous improvement.
- Gathered user feedback to iterate on app features and improve functionality.
- Utilized Firebase for backend services, ensuring seamless data synchronization.

### INTERN ANDROID DEVELOPER

NextGen Innovations

2014 - 2016

- Assisted in the development of mobile applications, focusing on user experience and design.
- Collaborated with senior developers to learn best practices and development techniques.
- Conducted testing and debugging, ensuring applications met quality standards.
- Documented application features and user guides for future reference.
- Engaged in team meetings to share progress and receive feedback.
- Utilized Android Studio for development, enhancing my technical skills.
