MICHAEL ANDERSON

LEAD PET NUTRITION SCIENTIST

Results-driven Animal Nutrition Scientist with over 10 years of experience in the pet food industry, specializing in the formulation of high-quality diets for dogs and cats. My career has been dedicated to researching and developing nutritional products that not only meet but exceed AAFCO standards. I have a strong background in ingredient sourcing, product development, and regulatory compliance.

PROFESSIONAL EXPERIENCE

PetWell Co.

Mar 2018 - Present

Lead Pet Nutrition Scientist

- Oversaw the development of new pet food products from concept to launch.
- Implemented a quality control program that reduced product recalls by 50%.
- Conducted consumer research to identify trends and preferences in pet nutrition.
- Collaborated with marketing to effectively position new products in the market.
- Presented findings at trade shows and industry conferences.
- Mentored junior scientists and interns in nutritional analysis techniques.

HealthyPet Foods

Dec 2015 - Jan 2018

Nutritional Product Developer

- Developed and tested formulations for premium cat and dog food.
- Utilized advanced software for nutritional analysis and ingredient sourcing.
- Worked closely with suppliers to ensure quality and sustainability of ingredients.
- Analyzed competitor products to identify areas for improvement.
- Participated in cross-functional teams to ensure compliance with safety regulations.
- Led focus groups to gather feedback on new product concepts.

ACHIEVEMENTS

- Increased product line profitability by 40% through strategic reformulation.
- Received 'Best New Product' award at the National Pet Expo.
- Authored white papers on pet nutrition that have been widely cited.
