MICHAEL ANDERSON

EQUINE NUTRITION CONSULTANT

As a dedicated Animal Nutrition Specialist with over 12 years of experience in the equine industry, I have honed my expertise in formulating diets that optimize performance and health in horses. My journey in animal nutrition began as a passion for equestrian sports, leading me to specialize in the nutritional needs of competitive horses.

PROFESSIONAL EXPERIENCE

EquiNutrition Experts

Mar 2018 - Present

Equine Nutrition Consultant

- Developed personalized nutrition plans for over 200 competitive horses, improving race performance by 18%.
- Conducted equine nutrition workshops for trainers, enhancing their understanding of dietary impacts.
- Collaborated with veterinarians to create feeding strategies for horses with metabolic disorders.
- Implemented a tracking system to monitor horse performance metrics related to nutrition.
- Engaged in research projects studying the effects of various feed ingredients on equine health.
- Provided ongoing support to clients through regular consultations and follow-ups.

Horse Health Co.

Dec 2015 - Jan 2018

Nutrition Advisor

- Formulated specialized diets for horses in training, achieving a 20% improvement in stamina.
- Monitored and assessed the nutritional status of horses at various training facilities.
- Conducted assessments of existing feeding programs, resulting in optimized nutrition protocols.
- Developed educational content for horse owners on the importance of nutrition in training.
- Collaborated with feed manufacturers to create high-quality equine products.
- Presented findings at equine nutrition conferences, sharing insights with industry professionals.

ACHIEVEMENTS

- Winner of the 2019 Equine Nutrition Award for innovative dietary programs.
- Increased customer satisfaction ratings by 35% through effective communication and support.
- Published articles on equine nutrition in leading equestrian magazines.
