MICHAEL ANDERSON

EDUCATIONAL ANIMATION DESIGNER

Innovative Animated Graphics Designer with a specialization in educational content, bringing over six years of experience in creating engaging and informative animations for academic and corporate training purposes. Proven ability to distill complex topics into visually appealing and easily digestible animated sequences that foster learning and retention. Strong background in collaborating with subject matter experts to ensure accuracy and relevance in all animated materials.

PROFESSIONAL EXPERIENCE

LearnTech Solutions   *Mar 2018 - Present*
Educational Animation Designer

- Created animated videos for e-learning courses and training modules.
- Collaborated with educators to develop content that meets curriculum standards.
- Utilized Adobe Captivate and After Effects for animation production.
- Ensured all animations were optimized for various learning management systems.
- Conducted user testing to refine animations based on learner feedback.
- Maintained a library of reusable animation assets for efficiency.

Creative Education Media   *Dec 2015 - Jan 2018*
Junior Animator

- Assisted in the development of animated educational content.
- Worked with graphic designers to ensure consistency across all media.
- Utilized PowerPoint and Prezi for presentations and animations.
- Participated in brainstorming sessions to generate engaging ideas.
- Maintained project timelines and communicated progress to supervisors.
- Gathered and analyzed feedback to continuously improve animation quality.

ACHIEVEMENTS

- Developed a series of animations that improved course completion rates by 40%.
- Recognized for excellence in educational content development at the Learning Conference, 2021.
- Created an animation toolkit that enhanced team productivity by 30%.
