MICHAEL ANDERSON

ANIMATION COURSE DIRECTOR

Innovative Animation Trainer with a focus on integrating traditional artistic methods with digital technologies. Brings a wealth of experience in teaching diverse groups of students, from beginners to advanced practitioners, in various animation disciplines. Recognized for the ability to inspire students and cultivate their passion for animation through engaging and dynamic instructional strategies.

PROFESSIONAL EXPERIENCE

Artistic Visions Academy

Mar 2018 - Present

Animation Course Director

- Designed and managed an extensive animation program that included both 2D and 3D techniques.
- Incorporated traditional animation techniques into digital workflows to enhance learning.
- Facilitated group projects that emphasized teamwork and creative collaboration.
- Conducted assessments to evaluate student progress and curriculum effectiveness.
- Established partnerships with local art institutions for collaborative projects.
- Organized exhibitions showcasing student work to the public.

Creative Media School

Dec 2015 - Jan 2018

Animation Instructor

- Delivered lectures on animation history and its impact on modern practices.
- Utilized software such as Toon Boom and Adobe Animate for instructional purposes.
- Provided mentorship to students seeking internships within the animation industry.
- Organized field trips to animation studios to expose students to professional environments.
- Developed online resources to support remote learners during the pandemic.
- Engaged in community outreach programs to promote the arts in schools.

ACHIEVEMENTS

- Increased student engagement by implementing interactive learning methods.
- Awarded 'Innovator of the Year' for contributions to curriculum development.
- Published a textbook on modern animation practices now used in several institutions.
