### WORK EXPERIENCE

#### 3D Animation Instructor

2020-2023

New Media Arts School

- Designed and taught courses on 3D modeling and animation for aspiring artists.
- Utilized software such as Blender and 3ds Max for practical demonstrations.
- Organized collaborative projects to simulate industry workflows.
- Provided personalized feedback to students to enhance their skills.
- Conducted workshops on advanced animation techniques and tools.
- Established an online platform for students to share their work and receive feedback.

#### Animation Mentor

2019-2020

Digital Arts Institute

- Mentored students in developing their animation portfolios and demo reels.
- Conducted assessments to track student progress and areas for improvement.
- Facilitated group critiques to encourage peer-to-peer feedback.
- Engaged in curriculum development to ensure relevance to industry standards.
- Organized guest lectures to provide insights from industry experts.
- Promoted student participation in animation expos and competitions.

### ACHIEVEMENTS

- Increased student enrollment by 35% through innovative teaching methods.
- Awarded 'Best Mentor' by the student body for two consecutive years.
- Facilitated a student project that received national recognition at an animation festival.
