MICHAEL ANDERSON

3D ANIMATOR

Innovative Animator with a specialization in 3D animation and visual effects, boasting over six years of experience in the entertainment industry.

Recognized for the ability to create lifelike animations that enhance storytelling and engage audiences. Expertise in a range of animation software, including Autodesk Maya and Cinema 4D, combined with a solid understanding of physics and motion dynamics.

PROFESSIONAL EXPERIENCE

NextGen Studios

Mar 2018 - Present

3D Animator

- Developed 3D animation sequences for feature films and video games.
- Collaborated with directors to conceptualize and execute creative ideas.
- Utilized Autodesk Maya and Cinema 4D for modeling and animation.
- Created realistic character movements using motion capture technology.
- Worked on post-production processes including rendering and compositing.
- Contributed to a project that won a prestigious industry award.

Digital Visions

Dec 2015 - Jan 2018

Junior 3D Animator

- Assisted in the creation of 3D animations for commercials and short films.
- Collaborated with senior animators to learn advanced techniques.
- Utilized Blender and ZBrush for asset creation and animation.
- Participated in team meetings to brainstorm creative concepts.
- Managed project timelines and ensured deadlines were met.
- Achieved recognition for creativity in a team project showcased at an industry conference.

ACHIEVEMENTS

- Produced a short film that was featured in an international film festival.
- Increased animation quality by implementing new rendering techniques.
- Received a nomination for 'Best Animation' at a national awards ceremony.
