

MICHAEL ANDERSON

LEAD CONSERVATOR

PROFILE

Esteemed Antique Handicraft Restoration Specialist with a rich background in the conservation of decorative arts, spanning over fifteen years. Expertise lies in the restoration of period pieces, with a particular focus on European antiques from the 18th and 19th centuries. Skilled in employing a blend of historical research and innovative restoration techniques to ensure the authenticity and aesthetic appeal of each piece.

EXPERIENCE

LEAD CONSERVATOR

The Antique Restoration Institute

2016 - Present

- Oversaw the conservation of high-value decorative arts, ensuring adherence to ethical standards.
- Developed restoration methodologies that incorporated both traditional craftsmanship and modern technology.
- Conducted in-depth research on historical context to inform restoration decisions.
- Managed a team of conservators, mentoring junior staff in advanced restoration techniques.
- Engaged in public speaking events to advocate for the importance of preservation.
- Established partnerships with local museums to enhance community engagement in conservation.

CONSERVATION CONSULTANT

Private Collector Services

2014 - 2016

- Provided expert consultation on the restoration of personal antique collections.
- Evaluated the condition of various items and recommended appropriate restoration techniques.
- Documented restoration processes and outcomes for client records.
- Advised clients on preservation techniques to maintain the integrity of their collections.
- Engaged in fundraising activities to support conservation initiatives.
- Participated in workshops to stay abreast of emerging trends in conservation practices.
