

# MICHAEL ANDERSON

Senior Metal Restorer

- San Francisco, CA
- (555) 234-5678
- michael.anderson@email.com

Meticulous antique metal restoration artisan with a career spanning over 14 years, focused on the detailed and precise restoration of metal artifacts. Esteemed for a deep understanding of various metal types and their unique restoration challenges, complemented by hands-on experience in utilizing a spectrum of restoration techniques. Strong background in historical research informs restoration decisions, ensuring authenticity and integrity throughout the process.

## WORK EXPERIENCE
